

Financial Policy and Consent

We feel that all patients deserve, from us, the best dental care we can provide. Further, we feel that everyone benefits when office policy and financial arrangements are understood. In order that we may have a definite understanding in regard to the payment for dental services, the following is our office policy. **We accept cash, personal check, cashier's check, money order, Visa, MasterCard, Discover and American Express. We also offer alternative payment plans (based on approval) as an option for financial arrangements.** As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment. All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in full at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services regardless of dental insurance. This office, as a courtesy, will help prepare the patients primary insurance forms and assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company. Insurance companies have a wide variety of rules, plan limitations and exclusions that our office may not be aware of. Dental insurance is a benefit for the patient provided by their employer and the contract lies between the patient, employer and the insurance company, not the dentist. **This office is NOT contracted with ANY dental insurance company, PPO or DMO plan except Delta Dental Premier and Cigna Radius.**

While we will attempt to estimate your dental benefits to the best of our ability, this is an **estimate ONLY**, not a guarantee of coverage and should not be depended on as the final decision. You will pay your estimated share at the time of treatment. Once insurance has paid their share, a statement will be sent to you for the remaining balance and will be due upon receipt. Should questions arise, it is best to contact your insurance company directly.

You are responsible for following up on all outstanding insurance claims. As a courtesy to you, our staff will assist you with any conflicts you may have regarding your insurance but cannot guarantee the outcome.
